BRANCHING MINDS

Hi! We are Branching Minds

Branching Minds is an MTSS/RTI System-level education platform that brings together Learning science + technology + team collaboration to help drive student and school success

1000000+

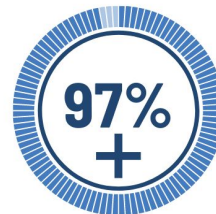

Supported
students

30+ States

91%

Of our business
comes from
repeat clients

Of school and
district admins
believe that BRM
improved their
ability to support
students
